A Strong Indorsement.
W. H. Holmes of the Decorah, Ia. Journal says, "I have been a sufferer from Piles and Hemorrhoids for years. I got no relief until my drugist recommended Meritol Pile Remedy. Before I had taken half the package the distress was gone and I have had no trouble since. I would not take a thousand dollars and be back in my former condition."

Mutton Market is Steadier.
A slightly better demand was shown for mutton in the North Portland yards at the opening of the week's trade, although there was a very heavy run of 3391 head over Sunday. General conditions in the mutton trade are little changed and it is not likely that the bulk of the offerings will show any material change in the situation from the latter part of last week.

General mutton market range:
Best shorn yearlings \$4.75@5.00
Shorn wethers 4.50@4.60

Hog Market is Weaker.
Another spell of weakness was shown for swine in the North Portland market for the day. The week opened with a rather heavy run, and buyers were very slow in taking hold. The bulk of the early sales was about a dime lower than last week.
